Dehalone

Applicant is submitting herewith a copy of the application as filed together with the declaration and copies of the drawings. This is a copy of the original application which was filed on April 13, 2004. The Examiner Marian Heinz, indicated that the Patent Office had lost the same. Therefore, the Applicant is resubmitting the same. This is a true copy of the original application.

Respectfully submitted,
Muserlian, Lucas and Mercanti
